**Secretary Maria:** None at this time

## Chair Reports

**H&I Seth:** New meeting at Morning Star 6:30PM on Saturday's. Voted to give to "The Fix."

**Chips & Lit Beck:** HAWS has been hard to contact. Will continue to try

**Events Tom:** Events chair switched from Tom to Alex

**Web Nico:** Going well

**Meeting List Kaitlin:** Got Plenty

**World Service:** Going to contact to find out more about convention

### **Old Business:**

- Spoke about the bylaws. GSR's are sending bylaws to individual groups to have them review, make changes if needed, and return to discuss if they will have them voted in.

### **New Business:**

- Events chair Tom stepped down from position. Alex stood for commitment. Alex wanted to know possible fundraising means for an event. Also wanted to know how much area is willing to give to host an event. Kennedy suggested Alex bring a budget of what he thinks he might need to next meeting. LC suggested to get free services (DJ etc...) and cheap hosting sites (i.e. Thrive @ \$24/day).
- Shades- Area is not responsible to provide them to groups. Katlyn suggested researching print and vinyl places to get quotes on pricing to set up for future.
- Outreach commitment in Brentwood, going to see if Islip wants it.
- Casey suggested prudent reserve and bank account be written into and added to bylaws. Prudent reserve tabled.
- Nick G. asked about convention and World Service Rep. Discussion tabled awaiting more info.
- Need to find more information regarding dates of conference vs. dates of actual convention. Discussion tabled awaiting more info.
- Joe is getting phone #'s from people in Albany who are directly linked to HAWS and might be able to share information.
- Kaitlyn brought up hotline idea. HA too small for such a big service.
